MGS Mission: To bridge the gap in Minnesota between research and practice in the field of aging, with special emphasis on developing and supporting tomorrow's leaders.
Goal 1: To provide educational and network opportunities for practitioners, students, educators, researchers and others working in the field of gerontology
High quality Annual Conference
5 Webinars each year
Panel by Videoconference
Develop Network of Gerontology Educators
Explore collaborations to expand conference theme discussions
Goal 2: To support leaders of tomorrow in gerontology
One-stop listing of gerontology education programs
Student research lists on MGS web site
Poster-exchange sessions at Conference
Scholarships for students in gerontology
Reduced Membership & Conference fees for students
Identify role models in gerontology - Kastenbaum Award
Information about careers in gerontology
Goal 3: To contribute to the professional growth of MGS members which in turn supports and sustains successful programs and services for the aging population in Minnesota
Development/enhancement of web site
Annual Directory to support networking among members
New member recruitment plan
Goal 4: To strengthen and sustain the organizational capacites of MGS
Website as resource for various disciplines
Plan for fees and contributions to sustain activities
Implement a database for better information and evaluation
Increase the diversity of disciplines, communities, and settings serving on the Board and Committees
