SEEKING RESEARCH PARTICIPANTS

Study Description:

The purpose of this study is to explore the grandparent-parent relationship in three generation households. Specifically, this study seeks to shed some light on how these family members understand and navigate their relationship while co-residing together. If interested, you would participate in a 45-60 minute in-person interview *at a time and place that is convenient for you.*

Eligibility

- *grandparent-parent pairs who currently live in a three generation household
- *parent is over the age of 18
- *English speaking
- *both the grandparent and parent agree and are able to participate in the study

Compensation

Each participant will be given a \$20.00 Target gift card upon completion of the interview.

Thank you!
