For many decades, MGS conferences were held at the Earle Brown Conference Center in Brooklyn Park and typically sold out with 500 attendees. In April 2020 in response to the pandemic, MGS quickly transitioned to a first-ever free virtual conference attended by 1,500+. The April 28, 2021 Research Day Pre-Conference will be free for all to attend. The April 29-30 Annual Conference will have a registration fee. All poster presenters will be invited to participate free of charge. The MGS Zoom Platform accommodates up to 1,000 participants.
