

*Our mission is to bridge research and practice  
in the field of aging, with emphasis on developing  
and supporting tomorrow's leaders.*

**Minnesota Gerontological Society (MGS)  
Research Day Pre-Conference Virtual Poster Session Event  
Friday, March 17, 2022  
9:00AM-12:00PM**

**CALL FOR POSTERS  
(deadline Friday, January 20, 2023)**

MGS invites faculty, students, researchers, and practitioners to submit a proposal to present their research at the Pre-Conference Day on March 17th. In addition, accepted select posters for the Pre-Conference will also have the opportunity to choose to have their research featured live on display during the conference, which historically attracts around 400 attendees. All accepted Pre-Conference poster presenters will receive complimentary registration to attend the conference on Monday, March 20 and Tuesday, March 21 (we just ask that you pay \$15.00 to cover the cost of a boxed lunch each day of the conference).

The Pre-Conference Day will offer each presenter a dedicated time to facilitate a live interactive poster presentation of their research. This year, MGS is responding to the changing times by focusing on our theme: **BETTER TOGETHER**. We welcome applications for topics related to work with older adults across health, mental health, business, law, and other areas in gerontology. We look forward to hearing more from you about the innovative research, practice, education, training, and policy initiatives that are being conducted collaboratively around our state, and beyond. Posters with a diversity, equity and inclusion lens are strongly encouraged. \*Promotions of specific products or services are prohibited. Specific details for the poster presentations will be sent to all accepted presenters.

**To apply, submit the [Online Application](#) – Friday, January 20, 2023**

Applicants will be contacted by the MGS Research Committee by **Wednesday, February 8, 2023**.  
**Questions: Contact Emily Justman at [emily@mngero.org](mailto:emily@mngero.org), MGS Research Coordinator.**

On behalf of the Research Committee, we look forward to hearing from you.
